

I Love Carnegie Public Library... Bear Hunt!

How to play:

- 1) Decorate your bear with markers, crayons, glitter, whatever! Get creative, but don't forget to write "I Love Carnegie Library" in big letters.
- 2) Then, display your bear in a front window in your house.
- 3) Go on a bear 'hunt'! Make note on a separate sheet of paper whenever you see a Carnegie Bear. How many can you collect?

Don't forget!

The Carnegie Public Library is open for Curbside Service on weekdays from 10am-3pm.

Please call ahead to request books about bears, or any topic! :)
